

SUDANESE GEOLOGISTS UNION

In recognition of his unprecedented and unique contribution in Sudan, the Sudanese Geologists Union is immensely honored to present this document representing the utmost sincere appreciation and gratitude to :

**PROFESSOR :
STEFAN KRÖPELIN**

It goes without saying that the Professor's in-depth knowledge and understanding of Sudan and its people, already went beyond the borders of Geology and yet touched base with the Sudanese culture and history.

PROFESSOR KRÖPELIN
single-handedly stood defiant representing a robust front against the false allegations on Sudan contemporary history and events.

The Sudanese Geologists Union
hereby certify that **Professor KRÖPELIN** is a life-long member of its union and will be treated as such in all future events.
